

TWIN TURBO

TWIN TRIPLE AXIS TOURBILLON MINUTE REPEATER CATHEDRAL GONG

J&Co
JACOB & CO
GENÈVE

jacobandco.com

World Premiere Combination of a Twin Triple Axis Tourbillon and a Minute Repeater, the Jacob & Co. Xtreme Tourbillon is Resolutely Ahead its Time with a Shape Case and a Distinctive Sportive Allure. In a World Everyday Faster, the Minute Repeater Chimes the Decimal and the Tourbillon 1st axis of rotation is accelerated to 40 secondes. A regulator system guarantees the perfect Balance between the 2 Triple Axis Tourbillon in a Constant Symmetrical Motion.
